LARGE MINORITY

Who are we?

Adventure Travel: The title alone conjures up feelings of excitement and thrill. It can be best described as being pushed into the unknown and out of one's comfort zone. Large Minority is one of the largest names in the Adventure Travel business and exist to provide:

**'THE WORLD'S GREATEST ADVENTURE,
BAR NONE.'**

Founded in 2009, the company has turned out over 27 international adventure challenges. From navigating Tuk-Tuks across Sri Lanka, India and Cambodia, racing sailboats in the Philippines to exploring the Amazon Rainforest; these are unforgettable experiences that participants couldn't replicate on their own. It's what makes Adventure Travel one of the fastest growing sectors in the tourism industry and why it's a perfect fit for that 'unreal journey' you were searching for.

These journeys are geared around cultural immersion, challenging scenarios and responsible travel as well as a huge amount of fun, resulting in genuine connections and providing authentic life-changing memories for adventure enthusiasts. We're creative purveyors of rebellious, forward-thinking travel experiences. That's it!

NICARAGUA ADVENTURE

What's in store?

NICARAGUA ADVENTURE IS ON!

At Large Minority, we're always on the lookout for unique and off-the-beaten-path destinations that offer unforgettable adventures. That's why we're thrilled to introduce our newest destination: Nicaragua.

Nicaragua is a land of unparalleled natural beauty, boasting lush rainforests, pristine beaches, and diverse ecosystems. On this Tuk-Tuk Adventure you will traverse rugged terrain and explore the crater lakes of dormant volcanoes and enjoy the landscapes of the Pacific coastline. Nicaragua offers a playground for outdoor enthusiasts and nature lovers alike.

As far as we're concerned, there are two ways to see Nicaragua: in a Tuk-Tuk, or not in a Tuk-Tuk. And we're going with one.

FREQUENTLY ASKED questions

HOW MANY PEOPLE PER TEAM?

A team is made up of either 2 or 3 people. Apparently there is no 'I' in it. You get one Tuk-Tuk per team.

CAN I BOOK MY OWN ACCOMODATION?

Unfortunately, no. Only because each leg will start from the hotel / overnight stop and the idea is to share our challenging travel experience together. Most importantly you wouldn't want to miss out on each night's social gatherings...

WHAT SHOULD I BRING ALONG?

Probably not your ski jacket. Or that set of golf clubs. Nicaragua is a tropical place, so pack accordingly. Due to being on the bridge of rainy season so a windbreaker jacket or a few light layers wouldn't go amiss. Other than that, bring all your travel essentials, some good quality sun cream and anything you think will make the long driving days more fun (we recommend honing your I-Spy skills beforehand).

We will also be sending you a what to pack kit list.

HOW ON EARTH DO YOU DRIVE A TUK-TUK?

Don't stress, they're very Friendly. If you can ride a scooter, you can drive a Tuk-Tuk. Besides, on the first day everyone gets mandatory Tuk-Tuk driving instruction and safety training. You'll have plenty of practice before hitting the open road.

HOW FAST DO TUK-TUKS GO?

Whoa there, speed racer. These bad boys can't really get over 40 kph. The average speed should be around 30 kph. Fast enough to get the blood racing, but not so fast you hit a cow. That's the sweet spot.

SEE WHAT EVERYONE has been saying...

Can a 10 day trip to Sri Lanka in a Tuk-Tuk be something special? Well LM you made it special. I was introduced to the concept by a friend who did it with another company who did not provide pre-booked accommodation daily routes, challenges and support etc. The LM concept works brilliantly and I genuinely find it hard to fault or make recommendations for improvement! The LM crew, on the trip were fantastic, the challenges were creative and interesting. The 'cricket challenge' for two mad cricketers was a stroke of genius from Mark. I will never forget the smile on Toby's (my son) face when we left the cricket field. Neither will I or he forget the time he had in Ella. It was a wonderful way to see a country, and the SL people are incredible. I would love to do another adventure with LM. Thank you so much for delivering an incredible 10 days that neither of us will ever forget. ,

"Well they say your honeymoon should be something you never forget and this sure has been that!! Thanks to Julian and Juan from Large Minority for an amazing Cambo Challenge, we had a fab time and experienced Asia in a way you never would on your own... We have to start planning which challenge we do next!!"

VICKY BRENTNALL

"People keep asking me about the Cambo Challenge and I think I've nailed what makes it so incomparable for me, it's all about the human interactions. The group were fun, switched on, non-competitive and from all over the map. The challenges got us past our barriers and into authentic Cambodian communities and interactions. The Large Minority team were smart, creative, playful and good times. Traveling by Tuk-Tuk was crazy, liberating and totally engaging with your surroundings, and Cambodia itself...half confronting, half embracing and incomparable throughout. We loved it."

JAMIE RASKIN
TEAM TANUKI

"Went on the inaugural Italy adventure and it was great. A previous customer from Sri Lanka and Cambodia so doing a convenient week-long European trip was perfect for maximal holiday time. This trip was a great chance to enjoy Western niceties whilst still having the fun of the Tuk-Tuks. The locals loved them, weather was great, as were the food and drink and the views and sites too. A great first timers' option – take the plunge for something different!"

DAVE
CAN'T CATCH THIS

"A very unique adventure which not only covers the landscaped beauty of Sri Lanka but also respectfully connects you with the local communities and ancient traditions. Any adventure (worldwide) wouldn't be so successful without the experienced team and support staff behind the scenes everyday. Highly recommend!"
